**CITIZENSHIP** Jordanian

**DATE & POB** January 25, 1985; Amman, Jordan

**CURRENT OCCUPATION** PhD Student and Research Assistant in Electrical Engineering.

**RESEARCH INTERESTS** Wireless Communications Theory, Mobile Communications, and Antenna Design.

**EDUCATION** University of Connecticut, Storrs, CT, USA  
PhD, Electrical Engineering, August 2013 – Till now  
• Area of Study: Wireless Communications.

Jordan University of Science and Technology, Irbid, Jordan  
M.Sc., Electrical Engineering, September 2008 – July 2010  
• Area of Study: Wireless Communications.  
• Rank: 2<sup>nd</sup>.  
• Thesis Topic: Mobile Station Positioning in Cellular Networks Using Hybrid TDOA/RSS Technique.

Al-Balqa' Applied University/HUC, Irbid, Jordan  
B.Sc., Communications and Software Engineering, September 2003 – June 2008  
• Area of Study: Communications, Electronics, and Software Engineering.  
• Rank: 1<sup>st</sup>.  
• Graduation Project: Cellular Phone Jammer, *Tested Successfully*.

**AWARDS** Yarmouk University  
• Full PhD degree scholarship, August 2013 – Till now

Al-Balqa' Applied University  
• Full Master's degree scholarship, September 2008 – July 2010

## Intel Company

- Chosen by Intel Company as one of five talented students over Jordan to attend the “**Intel Engineering Excellence Program**”.
- Full Bachelor's degree scholarship.

## ACADEMIC EXPERIENCES

### Al-Balqa’ Applied University/HUC, Irbid, Jordan

*Full Time Lecturer;* September 2010 – July 2013

- Taught courses in Electrical and Electronics Engineering for undergraduate level; Mobile Communications, Satellite Communications, Communications Transmission Systems, Electromagnetics, Communications Circuits, Digital Logic Design, and Electronics for None EE.
- Supervisor for several undergraduate projects dealing with modeling and simulating communications systems and Antenna Design.

### Jordan University of Science and Technology, Irbid, Jordan

*Teaching and Research Assistant,* September 2008 – July 2010

- Supervised Labs and Graded Assignments for undergraduate level; Probability and Random Variables, Electronics 1, Machine Lab, Electrical Circuits lab, and Introduction to EE Lab.

## TECHNICAL EXPERIENCES

### Orange Mobile Company, Amman, Jordan

- Performance and Quality Department, July 2007 – April 2008

### Intel Company, Egypt

- Team player in multiple Wireless Networking Projects over Egypt as a part of **Intel Engineering Excellence Program**, Summer 2008

## MEMBERSHIP

### Jordan Engineers Association (JEA)

## TECHNICAL SKILLS

Strong mathematical knowledge in Probability, Random Variables, and Stochastic Processes.

Excellent knowledge in wireless networking and information technology.

Excellent experience in MATLAB, IE3D Simulator, QUALNET Simulator, and ANSOFT Designer,

Excellent knowledge in Microsoft Windows and Microsoft Office with its all versions.

Fair experience in HFSS Simulator and OPNET Simulator.
